Dear Stan:

First I would like to thank you for your generous offer of help regarding the White House visit and the lunch at the F.B.I. If possible I'd like to take you ~~you~~ up on the suggestion.

Since we leave Boston and Arrive Washington on Thursday perhaps Friday would be the best day for such an outing. If Friday the 8th of June is correct and right for you it would be best for us. Bette would like to join us for lunch and of course be with me on the trip through the White House.

Thank you again for your kindness in this matter.

Sincerely,

W.A.B.
